MOCHI DONUTS

with plunger/submerger accessory

BALL DONUTS

with plunger/submerger accessory

YEAST RAISED DONUTS

with Feed Table accessories and Feed Table Extension

The Belshaw Insider is a donut frying system that eliminates the need for a ventilation hood. With its integrated hood and fire suppression systems, the Insider offers unique benefits:

- The Insider is completely mobile. No exterior ductwork is necessary.
- Designed to attract the interest of passers-by with its large window viewing area and attractive appearance, the Insider has great merchandising potential. Graphic wraps can be applied to top, bottom and side panels.
- Customers in high traffic areas can watch the Insider frying donuts automatically.
- The operator has only to mix batter, fill the Donut Robot® hopper and bag donuts from the Roto-Cooler, a rotating tray that collects donuts automatically.
- The Insider addresses fire prevention, air filtration, and sanitation requirements. Cabinet and fryers are certified to UL-197, UL-710B, CSA C22.2 and NSF-4 standards.

INSIDER with Feed Table extension for yeast raised donuts (optional).

COMPONENTS OF AN INSIDER VENTLESS DONUT CENTER

- **Insider Clean-Air Cabinet.**
- **Donut Robot® Fryer**, either **Mark II**, **Mark II GP**, **Mark V**, or **Mark V GP**.
- **Roto-Cooler** - Rotating tray that collects donuts after frying.
- **EZMelt 18 Melter-Filter (optional)** - Quickly filters and refills shortening in the fryer.
- **FT42 Feed Table, Trays and Cloths with Feed Table Extension (optional)** - For making yeast raised donuts.

Donut Robot® Mark II

Donut Robot® Mark V

EZ Melt 18

Feed Table
(Trays/Cloths not shown)

Roto-Cooler

STANDARD FEATURES - INSIDER CABINET

- Air recycling system, with fan-assisted grease filter, electronic filter, and odor filters.
- Interlock system to ensure ventilation is active. Fryer is otherwise shut down or unable to start.
- Fire suppression system (Pyro-Chem Kitchen Knight II, PLC-240/300). Operates automatically, also manually from a pull station.
- Rear doors to enclose workspace at rear.
- Clear polycarbonate viewing windows, hinged / sliding, for easy access and cleaning.
- Heavy Duty 5" (127 mm) casters.

STANDARD EQUIPMENT

- Insider Cabinet
- Donut Robot® fryer, either:
 - Donut Robot® Mark II [Web link](#)
 - Donut Robot® Mark V [Web link](#)
- Roto-Cooler donut collection tray [Web link](#)
